

POWER OUTAGE

A transformer exploded around 11 AM Monday (April 7) in Lauderdale-By-The-Sea between Sea Grape Drive and Bougainvilla near Lake Court, causing an extensive power outage in the southern half of the Town.

Numerous homes and businesses south of Commercial Boulevard lost power.

Florida Power & Light is working to restore power, but it may be several hours before power is fully restored to everyone's home or business.

For more information, call **Florida Power & Light** at **954-581-5668**.

If you have a wireless laptop, you can also check on the status of power restoration efforts by going to www.fpl.com.
